

Employer Enrollment Form

Instructions for Enrolling as a New Inland Bank HSA Employer

1. Complete the employer set up form and send to the Inland Bank HSA Team.
2. Within one business day, an HSA Account Manager will reach out to you to assist in selecting your enrollment option. Next, we will add your employer group to our system. Once added, we will be ready to accept online applications or provide you additional options for paper enrollment, employer portals, exchanges, etc.
3. A member of the Inland HSA team will contact your insurance agent/ broker to confirm plan eligibility and provide any necessary employee education.
4. Your assigned HSA Account Manager is always ready to work directly with your designated contact to assist with contribution options and will be available to you before, during, and after the enrollment process.
